

RAMEN or SOBA Making Experience

Which experience would you choose?

RAKUJYO's authentic noodle-making experience allows you to choose between ramen and soba. Which is it, the popular ramen or gluten-free soba?

for RAMEN

Authentic noodle making is made from flour in 30 minutes. Using domestic flour developed exclusively for ramen, participants will master the use of a large noodle-slicing knife.

for SOBA

We make gluten-free soba with 100% premium buckwheat flour from Nagano Prefecture. Soba slashing technique that has been used since the Edo period in 30 minutes.
